Changing Email

Changing Email	***Click on the images to zoom***
Need to change the email address in your account? Simply click **"Change Email"** on the navigation menu and follow the instructions. For security reasons, we also require you to confirm the password on your account at the same time to process the change. Additionally, you will receive an email to your **new** email address which you will need to action to finalise the change.	

Revision #2
